

HOLISTIC ALCHEMY™ HERBAL NECK WRAP

HOLISTIC ALCHEMY™ HERBAL COMFORT PACK

Used in the world's finest spas, Earthlite Holistic Alchemy™ Herbal Neck Wraps and Comfort Packs are specially crafted with our signature cinnamon spice blend of aromatic herbs and natural rice, encased in durable fabrics. Our herbal packs provide both moist heat and cold therapies, keys to providing relief for everyday stress and tension. Both offer extra warmth and soothing comfort when used during massage, body and facial treatments.

Neck Wrap provides relief to tense neck and shoulders and can be enjoyed during mani-pedi services or in spa relaxation lounge.

Durable fabrics

We use the most durable fabrics that hold up for extensive professional use in spas and clinics, and also for years of enjoyment at home. Our eco-fleece is made from recycled plastic bottles to strengthen our sustainability mission.

Aromatherapy Herbal Fill

Earthlite's proprietary aromatic herbal recipe of orange peel, cinnamon bark, clove and allspice berry is soothing and comforting, promoting relaxation.

Stress and Tension Release

The gentle weight creates a grounding, comforting effect. The moist heat therapy penetrates into the tissues, softening tightness and releasing tension.

Moist Heat and Cold Therapies

Can be used for hot or cold applications.

Give the Gift of Wellness

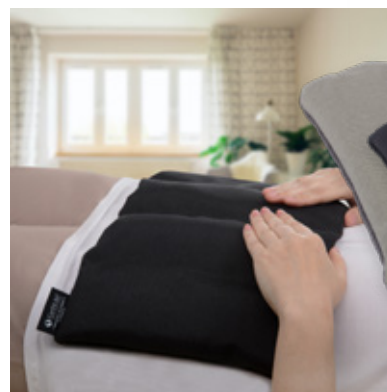

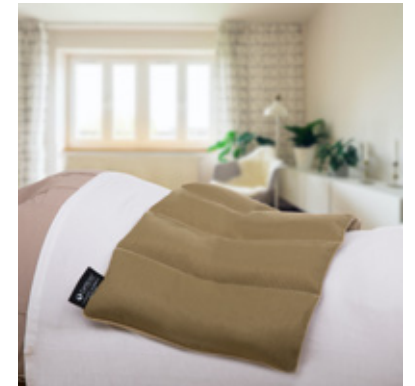

A popular gift for encouraging self-care at home and extending the benefits of massage treatments.

Satisfaction Guaranteed

From Earthlite® #1 brand in massage since 1987, headquartered in Vista, CA.

Apply the Comfort Pack to the low back or along the spine during massage.

The Comfort Pack warmed and placed on the abdomen calms the nervous system and induces deep relaxation during massage or facial treatments.

EARTHLITE® HOLISTIC ALCHEMY™ HERBAL NECK WRAP & COMFORT PACK

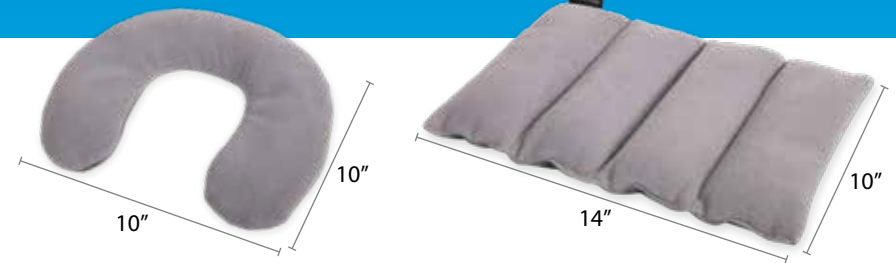

Used in the world's finest spas, Earthlite Holistic Alchemy™ Herbal Neck Wrap and Comfort Pack are specially crafted with our signature cinnamon spice blend of aromatic herbs and natural rice, encased in durable fabrics.
