

TRAVELMATE

DESKTOP MASSAGE SUPPORT SYSTEM

The Earthlite TravelMate is a desktop, go-everywhere, massage support system that allows practitioners to bring massage therapy to any home or office. It even works with clients in wheelchairs. Able to position in seconds, the TravelMate sets up solidly on any desk or table top. It adjusts quickly and easily, and is able to provide balanced support for a client's head and chest. It weighs a mere 9 lbs and comes with a carry case.

Features:

- Convert any table, counter or desktop into a comfortable massage space
- Allows adjustments for height, angle and depth for the perfect client fit
- Includes a patented Earthlite deluxe adjustable platform with Facepillow
- Perfect for use by recovering Vitrectomy patients, and can also be used for reading or relaxing
- Folds compactly in a handy zippered nylon carry case for home or office use
- Limited lifetime warranty on steel frame/platform, 3 years warranty on upholstery and face pillow cushioning.

Options

- Disposable Headrest covers (Fitted or Flat)

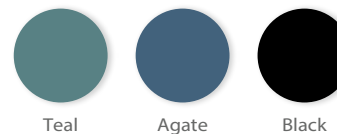

Infinite Adjustability

Complete Package includes cushioned upholstered chest pad, Deluxe Adjustable™ platform & carry case.

Nature's Touch Upholstery
