

Pro

Portable Massage Table Package

The 30" PRO Massage Table Package from Inner Strength is packed with features important to the busy massage professional. The hardwood undercarriage, supple yet durable ProVinyl™, 1000 lb steel cabling system, double knobs, and a wide working surface makes the InnerStrength PRO functional, lightweight, and very strong. Clients will love the generous 30" width, supple upholstery, and the luxurious closed cell cushioning. The complete package comes with a patented platform and a Cloudfill™ FacePillow. A compact folding design and rugged carry case make the PRO easy to transport and store. As a bonus, we've included a ½ round knee bolster, and instructional Home and Family Massage DVD.

Features

- Sturdy hardwood Beech massage table with hardwood corner blocks, glued and doweled construction in Natural color
