Recently, readers of American Spa Magazine and NailPro Magazine, two of the industry’s leading monthlies, voted for Earthlite and its brands for multiple equipment awards. Manufactured in Vista, California, Earthlite, Living Earth Crafts, Continuum and TARA Spa Therapy produce high end treatment tables, pedicure chairs and wellness products allowing guests to be pampered with luxurious treatments. Each spa table and chair features quality materials, top notch manufacturing and style.

According to Earthlite, Living Earth Crafts & Continuum CEO Jim Chenevey: “We are humbled to be selected by our industry operators as being the best at our craft. We strive every day to make the finest equipment that spa and salon operators can count on to enhance the elegance of their space, provide an ergonomic workspace for their therapists and nail techs, and operate reliably day in and day out, over many years of commercial use. Thank you for this recognition.”
